 23rd - Chili cook out @ Porter's

Grace Christian Fellowship & MAC present the "Young Married Ministries" November '09 to January '10 Calendar

Large Group Gatherings:

WHAT TO PLAN FOR:

Each couple is welcome to bring an appetizer or dessert for the large group gatherings. We'll spend the first part of the night in fellowship, and then shift into a time where different older married couples share wisdom with us regarding married life and more; following that we'll have a time of open discussion and prayer; and then we'll wrap our night up with some more fellowship.

CHILDCARE:

Childcare will be provided on-site at the Sacketts in December and at the Chili cook out at the Porters in January. You will need to make your own plans for the large group gatherings at the Gleichowski's in November and the Perrin's in January. We're happy to help you find childcare as well if needed. We want to make this time as beneficial as possible for all young married couples.

Other Gatherings:

GIRLS/GUYS NIGHTS OUT:

Every couple of months we'll have girl & guy night outs. We would love to have volunteer leaders to help us gather ideas from all the young married couples to create these nights.

MAC EVENTS:

Young Married Ministry is an extension of MAC. We encourage all of our young married couples to continue to benefit from MAC events!

OTHER GATHERINGS:

Every couple of months we'll have large group gatherings just for connecting and celebrating life together.
